Job Summary

Aurora Home is an innovative and state of the art home for adults living with mild to moderate Dementia. It is a pilot project and the first of its kind in BC. The goal of Aurora Home is to assist the individuals to maintain their cognitive capacity and independence for as long as possible, before requiring more complex level of care home.

Under the direction of the Parkview Place Program Manager, the Dementia Care Worker is responsible for supporting seniors with mild to moderate stage Dementia as outlined in the individual's plan of care, with the goal of maximizing independence and maintaining cognitive ability within their home community. This position supports seniors with a variety of day-to-day physical, emotional, and social supports, advocacy, activities of daily living, medication support, meal preparation, socialization, household management, recreation, transportation, and tailored holistic care planning. With a goal to support and preserve functioning, maximize abilities, promote safety, and encourage independence.

Qualifications & Experience:

- Registered BC Care Aide & Community Health Worker required
- Food Safe course (Level 1), TB Test and valid first aid certificate with CPR (training can be provided as required)
- 2-years recent related experience, or an equivalent combination of education, training, and experience
- Must be sensitive to & respectful of cultural differences, differences in socio-economic status & lifestyle diversity.
- Knowledge of relevant socio-historical events relevant to Indigenous culture
- Intermediate Computer Skills (moderate understanding of operating systems, word processing, graphics, spreadsheets, databases)

Required:

- Valid class 5 driver's license & satisfactory drivers abstract
- Intermediate First Aid, TB Test & Food Safe
- **Must meet immunization requirements** in accordance with Ministry of Health and employer policies, and when directed by a medical health officer.
- This position requires union membership
